On July 16, 2025, the Court issued an order adopting a clear process for dismissing cases in which plaintiffs fail to timely serve a PFS under Pretrial Order No. 14. Dkt. No. 2906. Per this Order, Defendants are to circulate a list identifying cases in which plaintiffs have failed to serve a PFS, and if plaintiffs dispute the accuracy of Defendants' list, plaintiffs are to raise the issue at the status conference. After each status conference, the Court will enter an order to show cause directing the listed plaintiffs to either serve a PFS before the next status conference or appear and explain why their case should not be dismissed for failure to comply with PTO 14.

On July 23, 2025, Defendants circulated a list of cases in which plaintiffs failed to serve a PFS (List 1). At the July 24, 2025 status conference, no plaintiff disputed the accuracy of the list. Therefore, the three-hundred and fifty cases on List 1 not subject to any pending motions to dismiss or recommended dismissals must either serve a PFS

before the next regularly scheduled status conference (August 28, 2025) or appear and show good cause why their case should not be dismissed for failure to comply with PTO 14. Many cases on List 1 are subject to the Court's Report and Recommendation (Dkt. No. 2921) and are thus not included in this Order. In addition, those cases on List 1 subject to Defendants' Twenty-Second Motion to Dismiss (Dkt. No. 2883) have been taken under advisement and will be addressed in a separate order.

IT IS HEREBY ORDERED: The following plaintiffs must either serve a verified PFS before the next status conference (August 28, 2025) or appear and demonstrate good cause why their case should not be dismissed for failure to comply with PTO 14:
